Subject: Notice of File Closure and Release of Reclamation Surety, Quality Building Stone, Inc., Red Chief Mine, S/015/0083, Emery County, Utah

Dear Ms. Miller:

The permit for the Red Chief mine, S/015/0083 located in Emery County, Utah, will now be closed and the file retired.

On March 15, 2011, John Blake from the Trust Lands Administration (SITLA) inspected the mine and determined that the site was reclaimed and that it can be fully released. The site is almost entirely on a rock outcrop, so no revegetation is required. We are returning your original reclamation contract to you for your disposal or records. The reclamation surety is held by SITLA, and we have recommended that they release the surety.

You are hereby released by the Division from further reclamation responsibilities at this site. If you wish to conduct any future mining or exploration related activity in this area, you will need to submit a new notice to the Division and other appropriate agency(ies), and provide reclamation surety prior to creating any disturbance.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5261 or Wayne Western at (801) 538-5257. Thank you for your cooperation in completing the reclamation work.

Sincerely,

Paul B. Baker
Minerals Program Manager
